“We absolutely love our new stairway from UDI. Debbie was so helpful in helping us design the look we were trying to achieve with this aspect of our remodeling. As with most remodels, there were adjustments that had to be made and it was obvious that it was important to everyone at UDI that we were happy with the end result. Without a doubt, we are very pleased with it and love the way it warmed up our foyer. The stairway fits our house now and looks like it was always there. Thanks again to everyone at UDI for their quality workmanship and excellent customer service.”
-Julie & Brad Hines
